CELEBRATING OVER 40 YEARS OF INNOVATION

Indoor Rowers / SkiErg

Concept2: A Legacy of Sport

For over forty years, Concept2 has been designing and manufacturing innovative, high-quality products to help you achieve your fitness goals—for better health, training for the Olympics or anything in between.

Regardless of whether you choose the Concept2 Indoor Rower or SkiErg, you are choosing superior products from one of the most well-established companies in the industry. The self-calibrating Performance Monitor 5 (PM5) helps set our machines apart, accurately measuring your power and personal improvements, and allowing for fair comparisons with users anywhere in the world.

Best of all, the exercises of rowing and Nordic skiing:

- are low impact and high calorie burning.
- work the entire body in efficient, rhythmic motions.
- offer user-controlled intensity.
- build strength and endurance for total body workouts.
- can be done by all ages and abilities.
- apply functional fitness principles.

All of our products are built to last and offer commercial quality and durability.

Model E Indoor Rower

The **Model E Indoor Rower** offers presence and durability with its 20 inch frame height and powder coat with glossy finish. From a practical standpoint, the higher frame means easier on-and-off for those with tired knees or mobility considerations. One-piece leg design for both the front and rear legs results in stability and a sure, solid feel. A fully enclosed chain housing keeps the nickel-plated chain clean.

The Model E includes all the proven features of the Model D plus those listed here.

Available in light gray (shown) and black.

One-piece leg design for solid look and feel

The frame is 6" higher, positioning the seat at a comfortable 20" height

Fully enclosed chain housing helps keep the chain clean

Longer monitor arm brings the PM5 closer to you

High gloss, powder-coated frame protects against scratches

Separates easily into two parts for storage.

Length	Width	Seat Height	Weight	Space Required For Use	Stored Dimensions	Weight Capacity
96 in 244 cm	24 in 61 cm	20 in 51 cm	65 lb 29 kg	9 ft x 4 ft 274 cm x 122 cm	27 in x 47 in x 54 in H 68.6 cm x 119.4 cm x 137.2 cm H	500 lb 227 kg

Go High Tech

Each Concept2 Indoor Rower and SkiErg comes with everything you need to get fit and stay fit—including our sophisticated Performance Monitor. If you'd like to access additional data or add entertainment, there are a number of options to consider.

Concept2's free **ErgData** app provides additional performance statistics, stores and displays your workout results, and uploads your results to the Concept2 Online Logbook. Designed to run on iOS and Android devices connected to a Performance Monitor, ErgData:

- connects wirelessly via Bluetooth Smart to the PM5.
- can display additional workout data in real time.
- logs all your results, including intervals, splits and heart rate information.

See concept2.com/ergdata for more details.

A number of apps have also been developed by other companies for use with the Concept2 Performance Monitor. See the latest options available at concept2.com/apps.

(Smartphone Cradle sold separately.)

The Online Logbook

Our free online logbook allows you to keep track of all your workouts. It also enables you to participate in our challenges and competitive opportunities.

Online Challenges

Our online challenges offer motivation to row or ski just a bit more than you might already! From individual events like the Holiday Challenge to team events like the World Erg Challenge, challenges can help to bring out your best, reinforcing your persistence and self-discipline.

Million Meter Clubs

Our Million Meter Clubs reward perseverance and long-term goals. They start at one million meters and run all the way to 100 million, so there's always a new target. We recognize your achievement, no matter how long it takes you to get there.

The Online Ranking

For the competitive among us, the Online Ranking lets you compare your performances with athletes from around the world over a number of different events and categories. Our Rankings include everybody from Olympic gold medalists to athletes in their 90s!

Workout of the Day (WOD)

Each day we offer three workouts to help you stay on track with your training. Choose from the short, medium, or long workout depending on your goals and schedule for that day. Sign up on our website to receive your WOD email!

Testimonials

“

I will be suggesting the Concept2 Indoor Rower to as many people as I can get to listen. Keep up the good work. You are changing people's lives. And not just the real-serious-rowing-types, but regular people like me, too.

A.S., Minneapolis, MN

I liked rowing the first time that I tried it. Here's a full-body cardio activity that a big guy can do without the pounding and joint stress of running.

”

M.Hanisco, Hatboro, PA

”

I can't thank you enough for inventing such a great product and marketing it so that it's widely accessible to almost everyone. Your rowing machine is by far the best piece of gym equipment available.

J.Doyle, St. Catharines, ON

“

Concept2 has set the standard for rowing machines, providing us with reliable, detailed results that help to translate our indoor training into on water speed. It's simply the next best thing to rowing on the water. The machine is built to last and will take whatever you're able to throw at it. I would recommend the Concept2 Indoor Rower to anyone after the benefits of rowing, whether you're looking to the Tokyo Olympics or just getting fit.

HAMISH BOND, NEW ZEALAND M2-
2-time Olympic Gold Medalist, Indoor Rowing World Record Holder

A Legacy Born on Water

Concept2 was founded in 1976 by brothers Dick and Peter Dreissigacker—two engineers with a passion for the sport of rowing. Over the past 40 years, the brothers have applied their experience and engineering to design, manufacture, sell and service unique products for the benefit of the entire Concept2 community. As athletes with high expectations, they're not only inventors but constantly test their products during daily workouts and training sessions.

We continue to promote and encourage the growth of these sports, indoors and outdoors.

Also from Concept2

DREISSIGACKER RACING OARS

Every oar is custom made to your specifications.

ACCESSORIES

We have everything to make indoor training comfortable and easy, from seat pads and floor mats to stylish clothing.

SPARE PARTS

We continue to sell replacement and spare parts as far back as our original Model A Indoor Rower. We will keep your flywheel spinning!
