

## PRODUCT HIGHLIGHTS

For an elliptical that strikes the optimal balance between durability, reliability, and innovation at a value price, look no further. The EFX 665 delivers on these essentials along with premium materials, club-level appearance, and features. The P62 touchscreen console injects contemporary design and a premium networked fitness experience to the cardio floor at a mid-tier price. Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content, and new features without any action or expense.

## EFX® 665 Experience™ Series

# ELLIPTICAL

\* The heart rate feature is intended for reference only. They may not be accurate for every user or at every intensity and are not intended for use as a medical device.

## PRODUCT FEATURES

### P62 CONSOLE

The P62 touchscreen console features personalized viewing and the remarkable clarity of TV and internet options that exercisers crave, all in a 10.1 in / 25.7 cm screen. With the ability to "favorite" selections for future use, exercisers can customize their workout experience based on what's important to them.

### ADJUSTABLE CROSSRAMP®

With our patented CrossRamp, exercisers can isolate or crosstrain specific lower body muscle groups by adjusting the angle of the ramp between 10 and 35 degrees, making it easy for exercisers to focus on their individual fitness goals

### COVERED REAR DRIVE HOUSING

Maintenance is easy with a covered ramp and rear drive housing that enable quick access for cleaning.

### DRIVE SYSTEM

Designed for multi-family housing complexes, corporations, small municipal service organizations, and many hospitality venues, the single-stage drive system provides the amazing feel that you and your exercisers have come to expect from Precor.
