

PRODUCT HIGHLIGHTS

The UBK 865 upright bike adds value to your facility by combining essential reliability and ease-of-use with smooth pedaling and biomechanically correct geometry. The highly ergonomic design of the UBK encourages proper form and includes a number of innovations to maximize comfort.

UBK® 865 Experience™ Series

UPRIGHT BIKE

** The heart rate feature is intended for reference only. They may not be accurate for every user or at every intensity and are not intended for use as a medical device.*

PRODUCT FEATURES

P62 CONSOLE

The P62 console offers personalized viewing and the remarkable clarity of TV and internet options exercisers crave, all in a 10 in / 25.4 cm screen. With the ability to “favorite” selections for the future, exercisers can customize their workout experience based on what’s important to them.

OVER-MOLDER HANDLEBARS

The over-molded style adds comfort and durability while offering dual heart rate contacts and three ergonomic riding positions: upright, cruising, and road

SEAT ADJUSTMENT & SADDLE DESIGN

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike

DUAL-SIDED PEDALS

The dual-sided pedals allow the exerciser to use the pedals with or without the integrated straps. The extra wide pedals comfortably accommodate feet of all sizes to encourage proper pedaling form.

EASE OF MAINTENANCE

The easy-to-remove shrouds ensure quick access to the belt drive system for maintenance and servicing without removing the pedals or crank arms.
