

EFX[®] 863 Elliptical Fitness Crosstrainer[®] with Converging CrossRamp[®]

The EFX[®] 863 with Converging CrossRamp[®] combines essential reliability and ease-of-use with a natural, low-impact stride to add value to your facility. Design enhancements ensure easy cleaning and maintenance for you while the unique adjustable Converging CrossRamp[®] technology, and fixed handlebars, deliver a comfortable lower body workout for your exercisers.

The 860 line touch screen console injects contemporary design and a premium networked fitness experience to the cardio floor, at a mid-tier price.

Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content and new features without any action or expense.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

EFX[®] 863

Elliptical Fitness Crosstrainer[®]
with Converging CrossRamp[®]

Product Features

- 1. Handlebars** - Fixed handlebars allow users to focus on lower body workouts at higher resistance levels or challenge stabilizers during hands-free training.
- 2. Console** - The 860 Line console features personalized viewing and remarkable clarity of TV and internet options that exercisers crave, all in a 10" screen. With the ability to "favorite" selections for the future, exercisers can customize their workout experience based on what's important to them.
- 3. Converging CrossRamp[®]** - Patented converging footpath design and incline adjustments between 10 - 35 degrees, along with 20 levels of resistance, give exercisers a challenging workout with a more natural feeling stride.
- 4. Covered Ramp & Rear Drive Housing** - Experience easy maintenance with the covered ramp and rear drive housing that enable quick access for cleaning.
- 5. Active Status Light[™]** - Alerts staff at a glance when the EFX needs maintenance or service.
