

RBK 865 Recumbent Bike

The RBK 865 recumbent bike adds value to your facility by combining essential reliability and ease-of-use with smooth pedaling and biomechanically correct geometry.

The 860 line touch screen console injects contemporary design and a premium networked fitness experience to the cardio floor, at a mid-tier price. Furthering the value of this state-of-the-art console, networked units receive automatic software updates, refreshed content and new features without any action or expense.

At Precor, we recognize that a great workout is the sum of many parts. In your hands, the products, services and technologies we offer can be combined in countless ways to complement the programs, and atmosphere you're creating.

RBK 865 Recumbent Bike

Product Features

- 1. Console** - The 860 Line console offers personalized viewing and remarkable clarity of TV and internet options exercisers crave, all in a 10" screen. With the ability to "favorite" selections for the future, exercisers can customize their workout experience based on what's important to them.
- 2. Ultra Comfortable Recumbent Seat Back** - Custom-designed air flex seat, featuring a ventilated panel and unique suspension system for a cool, cushioned ride.
- 3. Step-through Design** - Designed for easy mounting by the rider, the recumbent has a step-through design (14 in / 36 cm wide) with a low step-over height (4 in / 10 cm).
- 4. Seat Adjustment** - The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.
- 5. Ease of Maintenance** - The easy to remove shroud ensures easy access to the belt-drive system for maintenance and servicing without removing the pedals or crank.
- 6. Dual-sided Pedals** - Allow the exerciser to use the pedals with or without the integrated straps. The extra wide pedals comfortably accommodate feet of all sizes to ensure proper pedaling form.
