PRODUCT FEATURES

P30 CONSOLE

The P30 console features easy-to-use motion controls and an LED display that focuses on the essential fitness stats to keep users informed and engaged. Add an optional Entertainment Cap to provide access to a selection of audio channels, including those from wall or ceiling-mounted displays, or a Personal Viewing System (PVS) to give exercisers a more personal entertainment experience, with total choice and control

HANDRAILS

U-shaped handrails encourage good posture and proper technique.
