

## PRODUCT HIGHLIGHTS

The UBK 685 upright bike features custom-designed handlebars with integrated handheld heart rate for maximum comfort and efficient workout experience. Easy seat adjustment, redesigned saddle for riding comfort, and improved knee over pedal spindle (KOPS) geometry for efficient pedaling mean a smooth, comfortable workout. This bike is a cost effective option for a broad range of environments such as corporate gyms, apartment complexes, and fire departments.

Experience™ Series

## UPRIGHT BIKE

*\* The heart rate feature is intended for reference only. They may not be accurate for every user or at every intensity and are not intended for use as a medical device.*

## PRODUCT FEATURES

### P82 CONSOLE

The P82 console not only offers a brilliant 15 in / 38.1 cm screen that's ergonomically positioned to deliver crystal-clear entertainment viewing for exercisers in motion, but when networked, is also a direct-to-exerciser communication portal allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility

### OVER-MOLDER HANDLEBARS

The over-molded style adds comfort and durability while offering dual heart rate contacts and three ergonomic riding positions: upright, cruising, and road

### SEAT ADJUSTMENT & SADDLE DESIGN

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike

### PEDALS

The extra wide pedals comfortably accommodate feet of all sizes and feature integrated, adjustable straps to ensure proper pedaling form.

### EASE OF MAINTENANCE

The easy-to-remove shrouds ensure quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank arms.
